Fall 2026 Academic Calendar

All dates are tentative until closer to the beginning of the semester.

UG = Undergraduate students; GRAD = Graduate students

Part of Term (POT) values indicate the time frame for the course. The Class Schedule shows what part of term each course is scheduled in to assist with identifying deadlines.

- 1 = full 16 week semester (approximately 8/24/2026 – 12/9/2026 plus finals)
- A = first 8 weeks of the semester (approximately 8/24/2026 – 10/16/2026)
- B = second 8 weeks of the semester (approximately 10/19/2026 – 12/9/2026 plus finals)

Non-standard course offerings will not have a POT and do not follow the dates and deadlines on this calendar. Please refer to the non-standard tables on the withdrawal and refund webpages for deadline details. Start and end dates are shown in the Section Details on Course Explorer.
